

MARINA V IZOLI

ENVIRONMENTAL CODE OF CONDUCT

INTRODUCTION

Environmental Code of Conduct of Marina di Izola has to be respected for all boat users and visitors of the marina.

WASTE TREATMENT

It is not allowed to throw the garbage and other waste material off the boat. All the garbage and waste material have to be collected separately in the specified containers in the marina.

DANGER WASTE MATERIALS MANAGEMENT

It is the owner/operator/skippers responsibility to place all the danger waste materials such as: waste oils, drums, filters and batteries to the specialized containers placed in the ecological points in the marina. It is unlawful for any person to discharge or cause to be discharged any solid or liquid wastes (including bilge water, sewage or gray water) or other pollutants into the waters of the marina. Violations of this chapter are punishable according the national law.

USE OF THE TOILETTES

Sanitary facilities (marina toilet, head, sinks, etc.) shall not be used while a vessel is in the marina. Only the public toilettes placed in the marina area have to be used.

RATIONAL USE OF ELECTRICITY AND WATER

Before Departure you have to ensure that the electricity and water supply is switched off, the Cord and hose Extension Sets is disconnected. All components shall be in good condition and in accordance with the national or prescribed regulations. The water system connection has to be done only with the damage-free hose with the closing valve at the end.

ORDER AND PEACE

It is not allowed to perform any noisy activities and/or work that can influence to the peace and wellness of the marina users or visitors.

COMMUNICATION IN CASE OF POLLUTION

All the pollution cases (unpermitted outpour in the sea or at the land), clean less, disorder or other disrespect of this Code of Conduct have to be reported to the marina reception or to the Captain of the Marina.

ENVIRONMENTAL EDUCATION

We have to encourage friends, other marina users or boat owners to actively take care of the environment and to respect this Code of Conduct.
